Institutions of Engineers (India)

It is established in 1920 and granted Royal Charter in 1935. It is largest multidisciplinary professional body of engineers in India. It has a network of 29 State and 84 Local Centers. It has four overseas chapters, namely, Abu Dhabi, Bahrain, Kuwait, and Qatar. Six peripheral bodies namely, Engineering Staff College of India at Hyderabad, Rural Development Forum at Kolkata, Sustainable Development Forum at Patna, Water Management Forum at Ahmadabad, National Design and Research Forum at Bangalore and Safety & Quality Forum at New Delhi. Bilateral agreement with 33 professional institutions in 19 countries abroad.

Over 1500 Students' chapters function at various engineering colleges/polytechnics. Chapters conduct a variety of technical activities, such as, seminars, industrial visits, group discussions, technical quiz competitions, workshops, model/poster competition and film shows throughout the year.

Services by IEI

- To promote the general advancement of engineering and their application
- Promote study of Engineering through R & D activities and grants
- Dissemination and updating of engineering and technological knowledge among its members, through Technical Activities
- Fostering national and international cooperation in engineering and technology
- To promote efficiency and honorable dealings to suppress malpractice in engineering
- Pioneer in providing Non-formal Engineering Education (popularly known as AMIE Exam) in India

Inauguration Ceremony

UKF College of Engineering and Technology, Kerala has started the “Students’ Chapter of Institution of Engineers (India) for Civil Engineering Department with an initial registration of 76 student members from the branch. The Inaugural Ceremony began with prayer by Ms. Sreelekshmi S.

Prof. Suja S Nair, HOD in Charge, Civil Engineering Department, welcomed the gathering. She motivated students to participate in various activities of IEI and take advantage of the opportunity for enhancing their knowledge and skills. She also highlighted the other benefits of being a member of student chapter, like interaction with Industry professionals and research support.

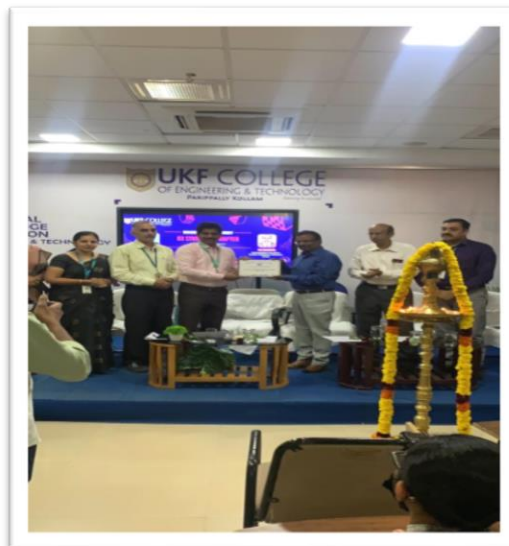

A brief introduction of the activities being carried out in the Institute for accelerating the learning of the students was given by Dr. E.Gopalakrishna Sarma, Principal in his presidential address. He also spoke about the various events being organized for the students for multi-facet development. He shared his vision of creating opportunities through various technical events for the students in collaboration with IEI.

The official inauguration of the chapter was done by lighting of the lamp by the dignitaries. The Chief Guest, Er. Rajan K , Chairman, IEI (India),Kollam Local Centre gave a brief introduction about the Institution of Engineers (India) in his inaugural address. He also highlighted the other benefits of being a member of student chapter, like interaction with Industry professionals and research support.

The other dignitaries on the dias, Prof. Jibi Varghese, Executive Director, UKFCET and Prof. Aneesh V N also addressed the gathering.

The membership certificate was then unveiled by Er. Rajan K and handed over the same to Prof. Jibi Varghese. Later as a token of gratitude, a memento was given to the chief guest, Er. Rajan K, Chairman IEI (India), Kollam Local Centre by Prof. Jibi Varghese.

The Inauguration Function concluded with Vote-of-Thanks by Prof. Chithira Venu, Coordinator, IEI Student Chapter, UKFCET. On behalf of Principal, Faculty, Staff and students, she expressed the gratitude to the invited guests for their kind presence and making this event a milestone in the history of Institute. She also conveyed the appreciation for the Faculty and students in organizing the program

The function ended with National anthem sung unanimously by all present. The function was followed, after refreshments, by Expert Lecture, arranged under IEI activity for Civil Engineering on the topic of “**Diagnosis of Failures in Concrete Structures**” by **Dr. N Ganesan, Prof** (HAG), Dean (Rtd), NIT Calicut, Kerala. A memento was given to the guest as a token of gratitude by Dr. E Gopalakrishna Sarma, Principal, UKFCET

56th ENGINEERS DAY CELEBRATION

Date: 15/09/2023

Venue: SH1

UKF College of Engineering and Technology, Kerala has organised **the INSTITUTE OF ENGINEERS INDIA's 56th ENGINEERS DAY CELEBRATION** on 15th September 2023.

The Engineers Day program kicked off with a soulful prayer song, setting a reverent and inspiring tone for the event. Attendees joined in harmony, creating an atmosphere of unity and shared purpose.

Dr Sreeja P, HOD , Electrical and Electronics Engineering Department, warmly welcomed esteemed guests, engineers, and participants. Er. Rajan K, Chairman, IEI, kollam local centre in his presidential address highlighted the importance of Engineers Day, emphasizing its role in acknowledging the invaluable contributions of engineers to society.

The program was honoured by the presence of Chief Guest Prof. Jiby Varghese, Executive Director, UKFCET, a distinguished figure in the engineering field. He shared profound insights, reflecting on the advancements in engineering and motivating the audience to strive for continuous growth and development.

A symbolic Lighting of the Lamp ceremony followed, signifying the illumination of knowledge and the spirit of engineering. All dignitaries came together to light the lamp, symbolizing the enlightenment that engineers bring to the world.

The inaugural address was delivered by Dr. Jayaraju Madhavan, Chairman IEI Kerala State Centre who set the tone for the event with insightful perspectives. He eloquently emphasized the significance of Engineers' Day Celebration and the life and contributions of Er. Vishweshraiya.

The event included a special segment dedicated to honoring Dr. E Gopalakrishna Sharma, respected Principal of the Institute who is also an eminent engineer with exemplary contributions to the field.

A moment of pride for the IEI, Kollam Local Centre as they unveiled the latest edition of the bi-monthly magazine, "FUTOORA" which was received by Dr Aneesh VN, Vice Principal UKFCET. The magazine, a platform for sharing knowledge and experiences in the engineering realm, was introduced to the audience, marking another milestone in the dissemination of engineering wisdom.

The official function concluded with a heartfelt vote of thanks delivered by Dr. M Nazeer, HOD, Civil Engineering Department expressing gratitude to all participants, guests, sponsors, and organizers for their contributions to the success of the Engineers Day celebration. The collective efforts of everyone involved were acknowledged, making the event a memorable and enriching experience.

Following the inaugural address, the event seamlessly transitioned into a technical session which includes talk by Dr E Gopalakrishna Sharma, Dr. Greeshma Nizy Eugene and Er. Rajan K. that added depth and substance to the celebration.

Technical Talk on “Geotechnical Engineering Practice”

Date : 15.09.2023

Venue: Civil Seminar Hall

Time : 11.00 am to 12.30 pm

Technical Talk by Dr. Greeshma Nizy Ejine (Environment & GT Engineer, CEO & Consultant, GEOERA Infrastructure)

On occasion of 56th Engineer’s day celebration, a technical talk on “Geotechnical Engineering Practices” was organized by IEI(India) Students’ Chapter of Civil Engineering Department for the third and fourth year students

The session was handled by Dr. Greeshma Nizy Ejine, CEO & Consultant, GEOERA INFRASTRUCTURES.

A brief description about their company & GEOERA Infrastructure was given in the first few minutes

The importance of Geotechnical Engineering in constructing safe and renewable structure were explained. Different geotechnical investigations methods like standard penetration test, CBR test etc. were discussed with real field footages. The importance of soil testing was emphasized with real examples and case studies. Ground improvement techniques were also included in the presentation.

This presentation was followed by a very informative interactive session between the expert and the audience.

As a token of gratitude, a memento was given to the expert , Dr. Greeshma Ejine by Dr. Nazeer M. , Head of Civil Engineering Department.

Mrs. Chithira Venu (Faculty Advisor, IEI(India) Students’ Chapter), concluded the talk with a heartfelt vote of thanks to everyone for making the session a success
